SPENCER'S SPOTLIGHT:

RACE 7

#7 TIZAHANDFUL wound up on the lead last time out, and that doesn't figure to happen here with several other pace players signed on. She's versatile enough to find a good spot from which she can get first jump on the deeper closers, and she has been a good fit at this level. #3 MISS GOSSIP (IRE) cuts back but had some decent races in Europe going shorter, and she is another who should get a good pace to chase here. #8 GAGAOVERYOU looks like one of the better pace players and she brings a sharp win over the local footing into this one, while #10 JOKASA and #5 LEMON SQUEEZE feel a bit more like underneath gimmick players.
