## SPENCER'S SPOTLIGHT:

### RACE 8

This is a brutal spot in which I'd feel somewhat confident making a case for about six of them, but gave the edge to #2 ADONIS CREED. His recent form stacks up nicely, and he gets some pretty significant class relief after trying stakes company in his last six starts. This will be his first run against older horses, but he appears to stack up well. #5 SIX SCHILLINGS got really good this wummer and comes out of a nice score in Lexington. His versatility should give his rider some options as to where to place him. #7 CRESCENT DRIVE can be forgiven for his clunker at KD last out, as he was in too deep over a course it isn't apparent he really cares for. Best would do. #8 HIGHLY PRIZED, #6 ESPOSITO and #1 LU RAE'S LUCKY SKY all seem good enough here, too.

TUNE IN TO THE MORNING SHOW FOR UPDATED SELECTIONS BASED ON TRACK CONDITIONS AND KEY SCRATCHES.
