## SPENCER'S SPOTLIGHT:

### RACE 8

#7 ALTERED MIND should get overlooked as she steps up off a win at the \$12,500 level to break her maiden, but she has been better with blinkers on in her two most recent starts and should get a good, tracking trip to find out whether she's good enough at this level. #11 HALLIE BELLE exploded late to score an easy win when breaking her maiden at Keeneland, and while she has a tough post and this test against winners in no easy task, she looks like a progressive filly with more to offer. #9 JUS KEVIN returns off the layoff for a capable enough team in these kinds of situations, and I wonder if the flat effort last out can be overlooked as she went straight to the bench after that for eight months. #4 LOLA'S THE ONE may be an underneath player.
