## SPENCER'S SPOTLIGHT:

### RACE 8

#8 SPARTANBURG headlines a field that has plenty of questions to answer, and that makes her consistency a real positive in this one. She should get another great trip from not too far off the pace, and if she can bring her baseline effort, she's probably good enough here. #10 FLOWERSFORLADY has been moderately competitive with better than this at points in the past, so she looks like the most likely one to best the top choice. #1 BIG GAME BABY should appreciate the drop out of stakes company, and she has been much better when in with this kind of company -- still not sure she's quite good enough. #7 AIR GUITAR STAR will try the turf for the first time, but there are a couple of intriguing running lines.
