SPENCER'S SPOTLIGHT:

RACE 7

#6 ECONOMIES OF SCALE rolled home the easiest of winners in a short field last time out when rained over from the turf, and she comes back in a short field where she may be able to control the pace. If another one wants to go, she's obviously happy pressing the issue and figures tough right back. #1 WICKED LICK has done her best work here, landing a couple of stakes placings, and she should be better back on the main track after a failed try on the grass last out. #4 PLAY THE BREAK steps up off the claim but gets last year's leading rider in the irons and brings good form to this one. #5 YOURS AND MINE likes the main track here and should get a decent trip -- shares at a price?
