SPENCER'S SPOTLIGHT:

RACE 8

#9 HARBOR PILOT will be a big price here, but he might get the run of the race. There is enough speed in here to suggest that something off the pace might be the way to go, and this guy can get the jump on the deeper-closing threats. #6 FORT PULASKI scored nicely last out when getting a similarly advantageous race shape, and there's no reason to think he can't win right back. #4 TRUST FACTOR was on a decent set of splits last out before getting nailed on the wire, but he will wind up in a similar spot today. Capable. #5 GENTLMENS AGREEMENT fits here but hasn't been out since July 2016.
