On cards when there is no single-ticket winner, half of the pool will be paid as consolation to tickets with the most correct and half of the pool will go to the carryover. The bet carries a \$0.50 minimum and is offered on the last five races of the day.

### Super Hi-5

The Super Hi-5 is like a “superfecta plus one,” requiring the bettor to select the top five finishers in order. When there are no perfect tickets, there will be a carryover of 75% of the pool to the next Super Hi-5, while 25% is paid out as the consolation.
