SPENCER'S SPOTLIGHT:

RACE 8

#12 MARS CURIOSITY was a bit flat last time out, but he should be better with this kind of company that is significantly softer than the bunch he chased in Chicago last out. He likes the main track here in New Orleans and should get a good run. #11 MALACHITE goes first off the Broberg claim, and the move to the main track here today could work in his favor as all three of his wins have come on the dirt. #2 STORM VIPER should be much better off for this race coming over to the main track, but he is likely to take some heat with pace from the inside.
