SPENCER'S SPOTLIGHT:

RACE 9

#3 NICHOLSON will get a chance to show how he stacks up here, but the form from the fall in NY was pretty solid, and he has been doing good work for his new connections. Not sure if he's good enough, but worth it at the price. Not sure what to make of #5 VIGOROUS TITAN -- he's a last out stakes winner dropping in for \$5k off the bench, so obviously that's a bad sign in numerous ways, but he also might still be good enough to handle this field if he has lost several steps. At a short price I am not willing to find out. #12 LINCOLN LAW was a distant second behind an easy winner last out and fits here, while #1 BOURNE COUNTRY scored easily in a soft, short field last out.
