SPENCER'S SPOTLIGHT:

RACE 6

Even with a decent pace expected, I think the class relief could do the trick for #3 BLIP N' TH BYE. She seemed competitive against stakes company last out but failed to stay late after getting pressure early, but she has solid company lines and can do better here. #5 CONQUEST SERENADE is the one to beat. She returns on a class drop and owns a couple of very competitive sprint tries on the main track, and she can sit just off the speed. #1 GOTIT TODO would benefit from a serious pace battle, but her two-back run still feels like something of an outlier in her overall form, though she has a right to do better back on dry land. #4 ACAPELLA should be a forward factor.
