SPENCER'S SPOTLIGHT:

RACE 8

#7 ONE LAST SHOT probably needed her last race off a long layoff, but she still ran well enough behind an in-form sprint winner. She should get another good trip in this one and looks like the one to beat. #1 FIVE STAR NAP has been landing underneath shares, but she isn't really taking that step forward that would be necessary to win here -- but she's still not far out of it with her baseline run. #8 CAROLINA JASMINE goes off the claim on the hike, and she has been solid on the local footing and doesn't seem entirely overmatched, while #5 PROMISEDYOUHEAVEN ran big in the slop last out but will have to repeat that on dry land.
