SPENCER'S SPOTLIGHT:

RACE 4

#3 FAULT probably still has some upside off her most recent win, and she looked even better on the main track than she did in her turf debut. Guessing she's going to get a nice run from off what should be a very fair pace. #4 SUMMERTIME SKY was sharp in her turf sprint debut, beating the top choice there, and she wasn't embarrassed in her first dirt try against stakes company last out. Like the top choice, she should get a good pace to chase. #5 JENDA'S AGENDA was brilliant in her debut score, but the question will be whether or not she can repeat that effort close to a solid clip while stretching out -- but the pedigree hints the distance is in her scope.
