SPENCER'S SPOTLIGHT:

RACE 5

#3 SANDSTORM can likely do better than she showed last time out, as she was caught up on a hot pace in a race that came apart late, and she won't meet quite as much pace this time around for a really solid second off the layoff barn. #6 A DIXIE TWISTER is the one to beat. She has done little wrong in two starts and finished well after a bad break last time out. With a clean getaway she should be significantly closer this time out. #7 MOLLY O'SHEA has done her best work sprinting on the turf and can probably improve with that last one under her belt, while #5 RUBY DUSK doesn't look like one with any real upside, but her baseline efforts are probably good enough for a small share.
