SPENCER'S SPOTLIGHT:

RACE 8

#8 LUCKY ANDY moves over to the grass off a modest try against stakes company last time out, and he has run well on the lawn in the past. The outside draw isn't much of a concern as he has the right kind of early pace to get into position from the start. #7 MARCO MISCHIEF was sharp in that two-back turf score when rallying from far back, and he was in too deep in Grade III company last time out. #1 IMPRESSIVE STUDENT has taken a nice step forward in his last two races since being switched to the lawn, and he should get a nice, ground-saving trip here. #4 SAVED AT SEA can win this, but I get the feeling she'll be a bit overbet vs. her realistic win chances.
