SPENCER'S SPOTLIGHT:

RACE 7

With a few potential pace players signed on in here, #5 TOWN DEVIL may have a chance to finish from off the pace. While he has some tables to turn from his most recent race, the flow should work in his favor. #3 RED CORVETTE gets class relief out of stakes company, and while he has pace, he has shown an ability to sit, so a perfect first-jump kind of trip could be in the cards. #7 IMPOSING WILL comes out of a tougher spot and beat a couple of these back in January, while #8 HOTFOOT goes first off the Joe Sharp claim, so toss him at your own risk.
