## SPENCER'S SPOTLIGHT:

### RACE 8

While I have some concerns about the layoff, #5 FLASHY SHOES can do better than she did when last seen in December. Not only can she probably sit a bit closer, but she had some trouble that day before running on well enough. #10 SHEA'S LIL SHUG drops into an easier spot and below the claiming price, but she has company lines that are simply stronger than the rest here. #3 MAJOR ASHWORTH didn't improve as much as I had hoped last out when getting back to this level, but she can probably do better here, while #2 REINE DES ANIMAUX scored last out from close range and figures for another tactical trip.

TUNE IN TO THE MORNING SHOW FOR UPDATED SELECTIONS BASED ON TRACK CONDITIONS AND KEY SCRATCHES.
