SPENCER'S SPOTLIGHT:

RACE 7

#6 ONE LAST SHOT has disappointed so far in two starts this season, but I'm looking forward to seeing her get back on the turf, a surface over which she has never run outside of stakes company. Price should be much better today. #10 GAGAOVERYOU is the one to beat, but she was overbet last time and figures the same here with speed drawn inside of her. #5 ATHENA'S AEGIS will have to fire off the layoff, but her best career try came in her only run at this trip. I have no clue what to make of #2 VERY UNDERSTATED. She seems completely outclassed off the claim, but she has only had one chance on the grass, brings a couple of snappy works into this, and is hiked by a sharp claiming barn. The fact that I have no idea why this team would put her in here leaves me intrigued enough to use her underneath.
