SPENCER'S SPOTLIGHT:

RACE 2

#1 ROSARY MAN didn't show anything in his comeback off the long layoff, but based on the way he has been working since then, I'm guessing that race was just a means to an end -- and the end is getting him back around two turns on the turf where his form stacks up nicely. #2 HOPEFUL NOTION rebounded off a dull comeback run with a really good effort against stakes company last time out, and with any additional improvement in this third start off the break, he's tough here. #5 WELL'S GOLD rebounded last time out when returning to FG after a couple of awful tries at Oaklawn, and his style tends to lead to good trips. #6 HOT ZAPPER might be best of the rest.
