SPENCER'S SPOTLIGHT:
RACE 8
#5 LION HEART LEGEND just missed at this level in that last run when claimed back by his old connections, and with a couple of pace players signed on here, he should get a good run from off the speed. #7 GALAXY BUILDER adds blinkers while getting back around one bend, but he has sharp speed and seems likely to have some company up top. #11 ALEX'S TURN got good around two turns at Delta, but his one-turn race here opening day stacks up nicely enough. #8 IN THE NAVY has been a reliable type and figures to offer a better price this time around than he has in recent starts.
