SPENCER'S SPOTLIGHT:

RACE 11

There is a real chance the pace could get hot in here, but I still think #3 LOCAL HERO has a chance to score here. I'm hoping he got a lot out of that last race, and he's probably still quickest early on and I don't think we've seen the best of him yet. #8 GIRVIN is clearly the one to beat off that sharp win last time out, and I can't think of any real knocks on him except a much shorter price than last time. #6 GUEST SUITE would be one who would appreciate a quick pace developing in front of him, and he can certainly run better than he did last time out. #2 HOLLYWOOD HANDSOME shows up late on the scene for Dallas Stewart, and there's nothing wrong with taking a swing with that barn with a late-blooming 3yo -- Commanding Curve ring a bell? #1 PATCH won nicely last time out, but he could get a tricky go of things from the fence.
