## SPENCER'S SPOTLIGHT:

### RACE 9

While there are a couple horses in here with some early pace, #3 UNION JACKSON looks likely to prove quickest from the gate in this one. If he can avoid taking too much heat from #5 TOTALLY DRENCHED into the turn, he could be tough to reel in. 'Drenched is in good form out of a good second-place finish at Keeneland, and he might fall into a perfect pressing trip outside the top choice. If those two battle early or are joined by one of the other potential pace players, #1 CLEARLY NOW could get the right kind of run. Third in this race last year, he's coming off the layoff with sharp works. #7 YOCCKEY'S WARRIOR is talented and likes it here, but he'll be tested for class today.
