SPENCER'S SPOTLIGHT:

RACE 8

Blinkers come off #2 MODERN MEDICINE, and that should give him a chance to get back to the form that helped him run a few big races at Arlington earlier this year. He is proven on the dirt and should get a great trip from close range here. #3 JENSEN has been away since trying the Grade III Spiral Stakes earlier this year, but he has proven sprint form and could be ready to roll off the bench. #4 SPEIGHTSONG returns to a surface he likes after a flat try off the claim, and the addition of blinkers could wake him up here, while #6 SUPERSTAR LEO has the look of yet another option in a deep race.
