SPENCER'S SPOTLIGHT:

RACE 7

#6 PUMPKIN RUMBLE would be plenty attractive at anything like his 12-1 ML price, as he has been knocking heads with some good ones in recent starts and should get a good trip from midpack here. #3 CHOCOLATE RIDE may not be exactly what he was a couple of years ago, but he loves this course, has the speed to get the trip and is probably still good enough to win this. #1 SKY FLIGHT goes first off the claim for a barn that has been having a good start to the meet, and he may work out one of the better tactical trips here by saving ground from the rail. #11 GLORIOUS EMPIRE woke up last time out and if he can carry that race with him over the local course, he just might be good enough to threaten.
