SPENCER'S SPOTLIGHT:

RACE 2

#1 OUR FROSTY had a tough debut trip when running out very wide on the turn and finishing up with an even run, but her pedigree leans heavily to the grass as his dam has thrown lots of rock-solid turf horses. Guessing that last one was just a race to set her up for this. #11 WILD ABOUT STAR had a useful debut run, and her dam was much better on the grass, and she figures for a good run with her early pace from the outside. #3 SABLE MARCELETE will need to bounce back here, but her debut on the grass was encouraging enough to suggest the surface switch could wake her up at a price, while #8 TINKERBELLA can come forward off an event debut run.
