FAIR GROUNDS RACE COURSE & SLOTS

A Churchill Downs Company

Dear Horsemen,

We are just a short time away from welcoming you back for Thoroughbred Racing this fall. We are excited to pick up where we left off last meet at Fair Grounds Race Course. We continue to make improvements to our facilities and look forward to welcoming our horse racing fans with a great experience.

Since late March, we have continued improvements to the backstretch including barns, dorms, walking wheels as well as extensive asphalt work. Some of this asphalt work was necessary to minimize the amount of sand and other debris that were entering our storm drains as a high level of scrutiny has been placed on us and you by local, state and Federal government to ensure compliance with water quality standards. With the number of horses that are stalled on our backside, we are designated as a Concentrated Animal Feedlot Operations (CAFO) and subject to federal regulations. These regulations require us to have a Nutrient Management Plan (NMP) for the handling of bedding and manure on our backside. If we all do not follow the NMP as whole, the Federal government can take severe actions against us. It will be extremely important that you ensure that your employees are adhering to our policies and procedures related to the NMP. We should expect frequent visits from government agencies to inspect our operation to see that all of us are following the NMP. Failure to comply will have ramifications to all parties that help put on the show for our horseracing fans. Please understand that our security team is simply trying to ensure that we are complying with standards which will be monitored by local, state and federal government agencies.

As you know, Fair Grounds is home to one of the nation's most competitive jockey colonies with some of the most talented horses in the industry which are trained by the most successful trainers in the sport. We truly appreciate all your efforts to maintain our tradition at the Fair Grounds. We look forward to seeing you and providing you with a first-class facility as our racing season begins.

With much respect,

Doug & Jason

IN STAKES RACES WITH A PURSE VALUE OF \$50,000 OR GREATER, HORSES HAVING COMMON TIES THROUGH OWNERSHIP MAY BE UNCOUPLED AND ALLOWED TO RUN AS SEPARATE BETTING INTERESTS AT THE DISCRETION OF THE STEWARDS AND WILL BE GIVEN EQUAL DRAW ACCORDING TO THE CONDITIONS OF THE RACE.

The claiming price of each horse in a claiming race shall be the entered claiming price, plus tax.

A claimed horse shall not enter in starter, optional or claiming races for 20 days after being claimed in a race in which the determining eligibility price is less than 25 percent more than the price at which the horse was claimed. For a period of 10 days thereafter, a horse is eligible to run back for the same claiming price or higher. The day claimed shall not count, but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so that the horse may start on the thirty-first day following the claim for any claiming price. This provision shall not apply to the starter handicaps in which the weight to be carried is assigned by the handicapper. A similar rule in other states will be recognized and enforced.

Title to a claimed horse shall be vested in the successful claimant at the time the horse becomes a starter. The successful claimant shall then become the owner of the horse whether he be alive or dead, sound or unsound, or injured leaving the starting gate, during the race, or after. However, the successful claimant may request on the claim blank at the time he makes his claim that the horse be tested for the presence of equine infectious anemia via a Coggins test. Should this test prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the State of Louisiana. The expense of the Coggins test and the maintenance of the horse during the period requested for the test shall be absorbed by the successful claimant. If such a test is requested, the horse will be sent to the retention barn of the Louisiana State Racing Commission where the State Veterinarian will draw a blood sample, which sample shall be sent to a laboratory approved by the Louisiana Livestock Sanitary Board for the conduct of such test.

If a horse is claimed, it shall not be sold or transferred to anyone wholly or in part, except in a selling or claiming race, for a period of 30 days from the date of claim, nor shall it, unless reclaimed, remain in the same stable or under the control of management of its former owner or trainer for a like period, nor shall it enter in any other state until after the close of entries of the meeting at which it was claimed, unless special permission is obtained from the commission. However, a horse claimed at a track in Louisiana must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of the meeting at which it was claimed. Where a race meeting is authorized and conducted as a split-meeting, a horse claimed in such a race meeting must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of that segment of the split meeting at which it was claimed. The following calendar day shall be the first day and the horse shall be entitled to enter at another track in the state whenever necessary so the horse may start on the sixty-first day following the claim. No trainer may claim more than two (2) horses in a race.

When a trainer is training for more than one owner, only two (2) claims from that stable will be allowed for any one race.

Only one claim from owners having the same trainer for any one horse.

Lasix must be administered at least four hours prior to the scheduled post-time for a race by a veterinarian licensed by the LSRC.

Preference Dating System

Horses which do not have a current Coggins and Piro on file will not receive a Preference Date.

1. Preference dates will not supersede conditions of a race.
2. All horses registered prior to 3:00 p.m. Wednesday, November 17, 2021 will receive a 'O', which is the lowest possible date. A horse keeps his 'O' until he runs or scratches.
3. All horses registering between 3:00 p.m. Wednesday, November 17, 2021 and Thursday, November 25, 2021 will receive a preference date of E-1. Horses registering after November 25, 2021 will receive an E date corresponding to the race day that the papers are submitted to the Racing Office. Foal papers which arrive on a dark day will be assigned the next racing calendar date.
4. Preference dates are good for any type race or distance with the exception of stakes or stakes trials. Stakes or stakes trials are not considered in the preference date system.
5. A zero has first preference and an entry date takes preference over a running date of the same day. A running date takes preference over an S date of the same day.
6. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held. This excludes stakes and stakes trials.
7. Horses which are scheduled to run in a turf race that is transferred to the Main Track after program publication will retain their date.
8. Any stewards, trainers or off the turf scratch will receive an S date for the day they scratch.
9. All horses placed on the Stewards, Veterinarian or Starter list will be posted on a bulletin board. They will not be permitted to enter until they have been approved to start. A horse which ran before going on a list will retain its R date. Horses which are Vet scratched will be given an R date the day the horse comes off the list.
10. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office to run elsewhere. Horses must re-enter to establish a preference date at the meeting. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. tattoo, corrections, change of ownership, clarification, etc.), the Racing Secretary may determine the status of the preference date established.
11. Horses excluded from a race being carded which had no preference date shall receive an 'E' date for the corresponding race day. Horses that establish an 'E' date shall retain such date until drawing into the body of a race in which therefore establishes an 'R' date. Horses which make the body of a race at another racetrack after establishing such 'E' date will forfeit any date they may have at Fair Grounds.
12. Maidens entering in winners races shall not receive a preference date. All races are winners preferred.
13. All owners, trainers and agents making entries are encouraged to sign entry blanks and check the preference date shown on them for accuracy. The Stewards will not acknowledge any claims not complying with this regulation.
14. In rules 3 and 10, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
15. In all matters of discretion, the Stewards' ruling is final.

An information and training package regarding the rules and regulations will be presented to each trainer at time of arrival. Applicant further acknowledges and agrees that for Applicant's and his/her employees' failure to comply with these requirements, the first offense is \$500; the second offense is \$1000; the third offense will result in revocation of this Stall Application and Applicant's prompt removal of all horses from Fair Grounds' stable area.

To maintain acceptable levels it is imperative that the following rules be taught to your stable workers and that they see this is important to you that they remain compliant.

- All dumpsters must have lids and all lids must be closed when not in use. Dumpsters can not be overloaded to prohibit lid from closing completely.
- All storm drains must not be covered or blocked.
- All hoses must be equipped with nozzle. At the Fair Grounds, hoses without nozzles will be confiscated.
- Hay, manure, shavings and bedding are prohibited from being washed down storm drains. They must be swept up and placed into dumpsters.

Bi-lingual signage will be posted throughout the backside.

Members of FGNO Security team, FGNO staff, Louisiana State Police Racing Detail will be identifying any and all violations observed. FGNO Security team will investigate and handle all documentation of all observed or reported violations. The warnings, steward citations, steward fines or steward evictions will be enforced and documented under the trainer's name. Each trainer will receive a copy of the DEQ Violation Report which will identify FGNO Security personnel completing the report, photographs, the date, time, weather condition, violation, action taken and the stable worker involved. The consequences of violations will be progressive becoming more severe based on frequency.

Individuals will be subject to monetary fines if found to be blatantly disregarding these rules.
