FAIR GROUNDS
RACE COURSE & SLOTS
A Churchill Downs Company

Dear Horsemen,

We are just a short time away from welcoming you back for Thoroughbred Racing this fall. We are excited to pick up where we left off last meet at Fair Grounds Race Course. We continue to make improvements to our facilities and look forward to welcoming our horse racing fans with a great experience.

Since late March, we have continued improvements to the backstretch including barns, dorms, walking wheels as well as extensive asphalt work. Some of this asphalt work was necessary to minimize the amount of sand and other debris that were entering our storm drains as a high level of scrutiny has been placed on us and you by local, state and Federal government to ensure compliance with water quality standards. With the number of horses that are stalled on our backside, we are designated as a Concentrated Animal Feedlot Operations (CAFO) and subject to federal regulations. These regulations require us to have a Nutrient Management Plan (NMP) for the handling of bedding and manure on our backside. If we all do not follow the NMP as whole, the Federal government can take severe actions against us. It will be extremely important that you ensure that your employees are adhering to our policies and procedures related to the NMP. We should expect frequent visits from government agencies to inspect our operation to see that all of us are following the NMP. Failure to comply will have ramifications to all parties that help put on the show for our horseracing fans. Please understand that our security team is simply trying to ensure that we are complying with standards which will be monitored by local, state and federal government agencies.

As you know, Fair Grounds is home to one of the nation's most competitive jockey colonies with some of the most talented horses in the industry which are trained by the most successful trainers in the sport. We truly appreciate all your efforts to maintain our tradition at the Fair Grounds. We look forward to seeing you and providing you with a first-class facility as our racing season begins.

With much respect,

Doug & Jason

If an owner has insufficient funds in their account to pay for nomination, entry and starting fees for stake races, Fair Grounds reserves the right to debit the trainers account for the outstanding funds.

Graded Stakes Medication Changes

Please be advised that the medication policies and regulations for graded stakes races have been changed by the American Graded Stakes Committee. For more information regarding these important changes, contact the racing office.

Equine Injury Database

In consideration of the acceptance of a nomination of any horse(s) to any race described in this Condition Book, the owner(s) and trainer of such horse(s) consent to the collection of information related to any injury to such horse(s) occurring at Fair Grounds or its associated training facilities and entry of said information into a database maintained by The Jockey Club (the Equine Injury Database). Said owner(s) and trainer further covenant not to sue and agree, to the maximum extent permitted by applicable law, to indemnify, release, hold harmless Churchill Downs Incorporated, Fair Grounds, any state or track appointed veterinarian collecting such information and The Jockey Club (the Indemnified Parties) from and against any liability, cost, loss, or expense of any kind or nature (including, without limitation, reasonable attorneys' fees) arising from any claim, demand, or action (a) alleging that the data entered into the Equine Injury Database (either directly or indirectly) violates the rights of the owner(s), trainer or any third party, or (b) relating to any equine injury report run, published or otherwise created by any of the Indemnified Parties, including the owners, stewards, directors, officers, employees and agents of any of them (either directly or indirectly).

Cornell Collar

Cornell Collar will be permitted equipment provided the following conditions are met: (a) Trainer must submit to the Stewards (prior to race day) a letter from a licensed veterinarian stating that the use of the Cornell Collar is appropriate for the named horse. Copies of this letter are to be given to the Paddock Judge; (b) The letter must state that the veterinarian has instructed the trainer on the proper application and use of the Cornell Collar; (c) the horse must have a Commission Veterinarian approved half-mile work with the Cornell Collar prior to starting; (d) Trainer must declare at time of entry that a horse will wear a Cornell Collar; (e) Trainer must notify the Stewards and Receive permission to discontinue use of the Cornell Collar and declared at time of entry. (ONLY THE VET-AIRED CORNELL COLLAR IS PERMITTED)

Claiming Rules

All claims must be sealed, time stamped and deposited in the claim box located in the Racing Office at least 15 minutes prior to post time or the time fixed for the race to begin and no later. The claiming price of each horse in a claiming race shall be the entered claiming price, plus tax.

A claimed horse shall not enter in starter, optional or claiming races for 20 days after being claimed in a race in which the determining eligibility price is less than 25 percent more than the price at which the horse was claimed. For a period of 10 days thereafter, a horse is eligible to run back for the same claiming price or higher. The day claimed shall not count, but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so that the horse may start on the thirty-first day following the claim for any claiming price. This provision shall not apply to the starter handicaps in which the weight to be carried is assigned by the handicapper. A similar rule in other states will be recognized and enforced.

However, the successful claimant may request on the claim blank at the time he makes his claim that the horse be tested for the presence of equine infectious anemia via a Coggins test. Should this test prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the State of Louisiana. The expense of the Coggins test and the maintenance of the horse during the period requested for the test shall be absorbed by the successful claimant. If such a test is requested, the horse will be sent to the retention barn of the Louisiana State Racing Commission where the State Veterinarian will draw a blood sample, which sample shall be sent to a laboratory approved by the Louisiana Livestock Sanitary Board for the conduct of such test.

If a horse is claimed, it shall not be sold or transferred to anyone wholly or in part, except in a selling or claiming race, for a period of 30 days from the date of claim, nor shall it, unless reclaimed, remain in the same stable or under the control of management of its former owner or trainer for a like period, nor shall it enter in any other state until after the close of entries of the meeting at which it was claimed, unless special permission is obtained from the commission. However, a horse claimed at a track in Louisiana must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of the meeting at which it was claimed. Where a race meeting is authorized and conducted as a split-meeting, a horse claimed in such a race meeting must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of that segment of the split meeting at which it was claimed. The following calendar day shall be the first day and the horse shall be entitled to enter at another track in the state whenever necessary so the horse may start on the sixty-first day following the claim. No trainer may claim more than two (2) horses in a race.

When a trainer is training for more than one owner, only two (2) claims from that stable will be allowed for any one race. Only one claim from owners having the same trainer for any one horse.

Voided and Voidable Claims

A. A claim shall be voided if a horse is a starter as determined by the regulatory authority, and the horse:

1. dies on the racetrack; or
2. suffers an injury which requires the euthanasia of the horse as determined by the official veterinarian while the horse is on the racetrack.

B. A claim is voidable at the discretion of the new owner for a period of one hour after the race is made official, for any horse:

1. that is vanned off the track at the direction of the official veterinarian; or
2. that is observed by the official veterinarian to be lame or unsound while on the racetrack for that race; or
3. that is observed by the official veterinarian to have bled through its nostrils while on the track.

C. The successful claimant may request on the claim blank at the time he makes his claim that the horse be tested for the presence of equine infectious anemia via a Coggins test and/or erythropoietin and/or darbepoietin.

1. Should the test for equine infectious anemia prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the state of Louisiana.

2. Should the test for recombinant erythropoietin and/or darbepoietin prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the state of Louisiana until such time as the horse tests negative.

3. Additionally, if such erythropoietin and/or darbepoietin positive result is found, the claimant, claimant's trainer or claimant's authorized agent shall have 48 hours in which to request the claim be declared invalid, such request to be made in writing to the stewards.

4. The expense of the tests and the maintenance of the horse during the period requested for the tests shall be absorbed by the successful claimant.

5. If such tests are requested the claimed horse will be sent to the retention barn of the Louisiana State Racing Commission where the state veterinarian will draw blood samples.

a. Blood samples drawn to test for equine infectious anemia shall be sent to a laboratory approved by the Louisiana Livestock Sanitary Board for the conduct of such test.

b. Blood samples drawn to detect by immunoassay recombinant erythropoietin and/or darbepoietin shall be sent to the Louisiana State Racing Commission's state chemist.

6. Notwithstanding any inconsistent provision of the Part, a horse shall not be subject to disqualification from the race and from any share of the purse in the race, and the trainer of the horse shall not be subject to application of trainer's responsibility based upon the finding by the laboratory that erythropoietin and/or darbepoietin was present in the sample taken from that horse.

Procedure to Void a Claim

1. If the State Vet or the successful claimant observes the horse to be unsound, after the race & before the claimed horse, leaves the racetrack (inside the rails), the State Vet will contact the Stewards, and alert them to the issue.

2. At that point the Stewards will speak to the successful claimant, to gather whether that person wants to have the claim voided immediately or will they need to invoke the "up to 1 hour" time limit.

3. Once the above is determined, if the successful claimant needs time to decide, the horse will be sent to the Test Barn. If the decision is made to immediately Void the Claim, the previous connections will retain possession of the claimed horse, before the horse leaves the paddock.

4. If the successful claimant needs time to make the decision, once the decision is made, if that decision is to Void the Claim, the horse will be returned to the previous connections, and picked up at the Test Barn.

Waiver Claim Rule

At time of entry an Owner, Trainer, or Authorized Agent may declare a horse ineligible to be claimed provided the horse has been laid off and has not started in a race for a minimum of one hundred and twenty days (120) and is entered for a claiming price equal or greater than the price at which the horse last started. The day following the horse's last race will count as day one (1).

Failure to declare the horse ineligible to be claimed at time of entry may not be remedied. A horse declared ineligible to be claimed cannot consider that race for eligibility in any starter type race or optional claiming.

2023 - 2024 Vaccination Advisory

For the benefit and well-being of all horses wishing to participate in Fair Grounds 2023 - 2024 race meet and to maintain the integrity of said race meet, Fair Grounds recommends the guidelines listed below:

For Resident Horses:

Trainers are responsible for maintaining current vaccination records at their barns and must make said records available for inspection upon request of a representative of Fair Grounds management. Vaccination records of claimed horses must be transferred by the previous trainer to the claiming trainer within 24 hours of official transfer of ownership.

For entry to the barn area for stabling:

All horses seeking entrance into the Fair Grounds' stable area/ racetrack must be accompanied by and listed on a Certificate of Veterinary Inspection (CVI) that has been signed and dated within thirty (30) days of arrival by a licensed veterinarian, and which shall contain the following written statement: The horses listed on this Certificate of Veterinary Inspection (CVI) have not originated from, not been stabled on a premises which has had Equine Herpes virus (EHV-1) diagnosed during the previous thirty (30) day period.

Additionally, each horse seeking entrance into Fair Grounds' stable area should be vaccinated against Equine Herpes virus Type 1 (EHV-1) by a licensed veterinarian within a minimum of fourteen (14) days and a maximum of ninety (90) days prior to entry into the stable area. The Certificate of Veterinary Medicine (CVI) shall indicate the date of the vaccination and the specific vaccine product used to vaccinate each horse.

Reportable Diseases

Veterinarians are to report to the Commission Veterinarian any horse(s) suspected of being infected with or demonstrating symptoms consistent with any of the following disease/organisms:

- Equine rhinopneumonitis/Equine Herpes virus Type 1
- Streptococcus equi
- Equine encephalitis (Eastern/Western/Venezuelan)
- West Nile Virus
- Equine Viral Arteritis
- Vesicular conditions
- Equine Infectious Anemia
- Any disease classified by USDA as a foreign animal disease

In the absence of a specific presumptive diagnosis, the presence of infectious disease affecting fifteen (15) percent or more of horses in a barn must be reported.

Lasix Rules

Approved bleeder medication may be voluntarily administered intravenously to a horse that is entered to compete in a race, subject to compliance with the following conditions:

The trainer and/or attending veterinarian determine that it is in a horse's best interests to race with bleeder medication, and they make written request upon the LSRC veterinarian, that the horse is to be placed on the voluntary bleeder medication list, and the request is actually received by the LSRC veterinarian or his/her designee by time of entry.

Lasix must be administered at least four hours prior to the scheduled post-time for a race by a veterinarian licensed by the LSRC.

Horses that have been approved to run on Lasix for the first time must claim First Time Lasix on the entry card when entering for the next start.

Mandatory Safety Vests

All exercise riders, jockeys, trainers, outriders, pony persons and others on horse back as well as assistant starters will be required to wear a safety vest designed to provide shock absorbing protection of at least a rating of 5, as defined by the British Equestrian Trade Association (BETA), while on or proceeding to or from the racetrack.

Preference Dating System

Horses which do not have a current Coggins on file will not receive a Preference Date.

1. Preference dates will not supersede conditions of a race.
2. All horses registered prior to 3:00 p.m. Monday, November 13, 2023 will receive a 'O', which is the lowest possible date. A horse keeps his 'O' until he runs or scratches.
3. All horses registering between 3:00 p.m. Monday, November 13, 2023 and Friday, November 17, 2023 will receive a preference date of E-1. Horses registering after November 17, 2023 will receive an E date corresponding to the race day that the papers are submitted to the Racing Office. Foal papers which arrive on a dark day will be assigned the next racing calendar date.
4. Preference dates are good for any type race or distance with the exception of stakes or stakes trials. Stakes or stakes trials are not considered in the preference date system.
5. A zero has first preference and an entry date takes preference over a running date of the same day. A running date takes preference over an S date of the same day.
6. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held. This excludes stakes and stakes trials.
7. Horses which are scheduled to run in a turf race that is transferred to the Main Track after program publication will retain their date.
8. Any stewards, trainers or off the turf scratch will receive an S date for the day they scratch.
9. All horses placed on the Stewards, Veterinarian or Starter list will be posted on a bulletin board. They will not be permitted to enter until they have been approved to start.
A horse which ran before going on a list will retain its R date. Horses which are Vet scratched will be given an R date the day the horse comes off the list.
10. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office to run elsewhere. Horses must re-enter to establish a preference date at the meeting. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. tattoo, corrections, change of ownership, clarification, etc.), the Racing Secretary may determine the status of the preference date established.
11. Horses excluded from a race being carded which had no preference date shall receive an 'E' date for the corresponding race day. Horses that establish an 'E' date shall retain such date until drawing into the body of a race in which therefore establishes an 'R' date. Horses which make the body of a race at another racetrack after establishing such 'E' date will forfeit any date they may have at Fair Grounds.
12. Maidens entering in winners races shall not receive a preference date. All races are winners preferred.
13. All owners, trainers and agents making entries are encouraged to sign entry blanks and check the preference date shown on them for accuracy. The Stewards will not acknowledge any claims not complying with this regulation.
14. In rules 3 and 10, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
15. In all matters of discretion, the Stewards' ruling is final.

TRPB DIGITAL TATTOOS – 2023 Update – Fair Grounds

In effect since January 2020, a Thoroughbred making its first lifetime start requires a TRPB Digital Tattoo™.

Sign up for tattooing at the Fair Grounds race office, and list the horse's name, barn number, your name and cell phone number. A Digital Tattoo™ is required for any horse that is planning to make their first lifetime start at Fair Grounds.

All foals of 2017 thru 2021 have microchip numbers on The Jockey Club foal registration papers which the TRPB Technician will validate prior to confirming the markings and documenting through digital photos.

The TRPB Technician will scan the microchip to access the digital copy of the foal certificate, validate the information, verify the markings, color and gender, then take 10 -14 photos of the horse to digitally document all equine attributes. Bandages, poultice, blankets must be removed, and the horse must be named by the time the TRPB Technician is present to certify its identity.

The Digital Tattoo™ fee is \$100 which **MUST** be paid prior to the TRPB Technician performing the work. Payment can be made by Credit Card, Apple Pay or Google Pay. If arrangements are made with the Fair Grounds bookkeeper's office to provide a bookkeeper's check made out to TRPB in the appropriate amount, this check must be turned over to the Technician at the time of certification.

The TRPB Technicians at Fair Grounds are Stephanie Vander Boon 616-481-1534 & Tyler Woodley 337-326-0695.

Any questions about Digital Tattoos can be directed to TRPB Horse ID at 410-398-2261 Ext. 600 or tattoo@trpb.com

The Louisiana Department of Environmental Quality requires Fair Grounds' stable area to maintain a Concentrated Animal Feeding Operation (CAFO) permit. This permit requires Applicant and his/her employees to do the following: (1) place all used shavings and/or straw in designated manure bins in order to keep them from running into the storm drain water system; (2) attach all washers to sanitary hook-ups and prevent all washers and ice machines from running into the storm water drain; (3) otherwise comply with Fair Grounds' best management practices as required by the permit. Applicant acknowledges and agrees that the Fair Grounds will use Video surveillance to monitor Applicant's and Applicant's employees' compliance with these requirements and the stable area will be subject to inspections by Fair Grounds' personnel, the Louisiana Department of Environmental Quality, the New Orleans Sewage and Water Board and the Environmental Protection Agency. An information and training package regarding the rules and regulations will be presented to each trainer at time of arrival. Applicant further acknowledges and agrees that for Applicant's and his/her employees' failure to comply with these requirements, the first offense is \$500; the second offense is \$1000; the third offense will result in revocation of this Stall Application and Applicant's prompt removal of all horses from Fair Grounds' stable area.

To maintain acceptable levels it is imperative that the following rules be taught to your stable workers and that they see this is important to you that they remain compliant.

- All dumpsters must have lids and all lids must be closed when not in use. Dumpsters can not be overloaded to prohibit lid from closing completely.
- All storm drains must not be covered or blocked.
- All hoses must be equipped with nozzle. At the Fair Grounds, hoses without nozzles will be confiscated.
- Hay, manure, shavings and bedding are prohibited from being washed down storm drains. They must be swept up and placed into dumpsters.

Bi-lingual signage will be posted throughout the backside.

FGNO Security team will investigate and handle all documentation of all observed or reported violations. The warnings, steward citations, steward fines or steward evictions will be enforced and documented under the trainer's name. Each trainer will receive a copy of the DEQ Violation Report which will identify FGNO Security personnel completing the report, photographs, the date, time, weather condition, violation, action taken and the stable worker involved. The consequences of violations will be progressive becoming more severe based on frequency.

Individuals will be subject to monetary fines if found to be blatantly disregarding these rules.

The day claimed shall not count, but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so the horse may start on the thirty-first day following the claim for any claiming price. This provision shall not apply to allowance/optional claiming or starter allowance/optional claiming races in which the horse is entered for the allowance condition, starter handicaps in which the weight to be carried is assigned by the handicapper, starter stakes and starter allowance races.
