**FAIR GROUNDS**  
**RACE COURSE & SLOTS**  
A Churchill Downs Company

Dear Horsemen,

We are just a short time away from welcoming you back for Thoroughbred Racing this fall. We are excited to pick up where we left off last meet at Fair Grounds Race Course. We continue to make improvements to our facilities and look forward to welcoming our horse racing fans with a great experience.

Since late March, we have continued improvements to the backstretch including barns, dorms, walking wheels as well as extensive asphalt work. Some of this asphalt work was necessary to minimize the amount of sand and other debris that were entering our storm drains as a high level of scrutiny has been placed on us and you by local, state and Federal government to ensure compliance with water quality standards. With the number of horses that are stalled on our backside, we are designated as a Concentrated Animal Feedlot Operations (CAFO) and subject to federal regulations. These regulations require us to have a Nutrient Management Plan (NMP) for the handling of bedding and manure on our backside. If we all do not follow the NMP as whole, the Federal government can take severe actions against us. It will be extremely important that you ensure that your employees are adhering to our policies and procedures related to the NMP. We should expect frequent visits from government agencies to inspect our operation to see that all of us are following the NMP. Failure to comply will have ramifications to all parties that help put on the show for our horseracing fans. Please understand that our security team is simply trying to ensure that we are complying with standards which will be monitored by local, state and federal government agencies.

As you know, Fair Grounds is home to one of the nation's most competitive jockey colonies with some of the most talented horses in the industry which are trained by the most successful trainers in the sport. We truly appreciate all your efforts to maintain our tradition at the Fair Grounds. We look forward to seeing you and providing you with a first-class facility as our racing season begins.

With much respect,

Cathy & Jason

### **Graded Stakes Medication Changes**

Please be advised that the medication policies and regulations for graded stakes races have been changed by the American Graded Stakes Committee. For more information regarding these important changes, contact the racing office.

### **Cornell Collar**

Copies of this letter are to be given to the Paddock Judge; (b) The letter must state that the veterinarian has instructed the trainer on the proper application and use of the Cornell Collar; (c) the horse must have a Commission Veterinarian approved half-mile work with the Cornell Collar prior to starting; (d) Trainer must declare at time of entry that a horse will wear a Cornell Collar; (e) Trainer must notify the Stewards and Receive permission to discontinue use of the Cornell Collar and declared at time of entry. (ONLY THE VET-AIRED CORNELL COLLAR IS PERMITTED)

## **Claiming Rules**

All claims must be sealed, time stamped and deposited in the claim box located in the Racing Office at least 15 minutes prior to post time or the time fixed for the race to begin and no later. The claiming price of each horse in a claiming race shall be the entered claiming price, plus tax.

A claimed horse shall not run for 20 days after being claimed in a race in which the determining eligibility price is less than 25 percent more than the price at which the horse was claimed. For a period of 10 days thereafter, a horse is eligible to run back for the same claiming price or higher. The day claimed shall not count, but the following calendar day shall be the first day and the horse shall be entitled to enter whenever necessary so that the horse may start on the thirty-first day following the claim for any claiming price. This provision shall not apply to allowance/optional claiming or starter allowance/optional claiming races in which a horse is entered for the allowance condition, starter handicaps in which the weight to be carried is assigned by the handicapper, starter stakes and starter allowance races. This provision shall apply to allowance/optional claiming and starter allowance/optional claiming races, if a horse is entered for a claiming price.

However, the successful claimant may request on the claim blank at the time he makes his claim that the horse be tested for the presence of equine infectious anemia via a Coggins test. Should this test prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the State of Louisiana. The expense of the Coggins test and the maintenance of the horse during the period requested for the test shall be absorbed by the successful claimant. If such a test is requested, the horse will be sent to the retention barn of the Louisiana State Racing Commission where the State Veterinarian will draw a blood sample, which sample shall be sent to a laboratory approved by the Louisiana Livestock Sanitary Board for the conduct of such test.

If a horse is claimed, it shall not be sold or transferred to anyone wholly or in part, except in a selling or claiming race, for a period of 30 days from the date of claim, nor shall it, unless reclaimed, remain in the same stable or under the control of management of its former owner or trainer for a like period, nor shall it enter in any other state until after the close of entries of the meeting at which it was claimed, unless special permission is obtained from the commission. However, a horse claimed at a track in Louisiana must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of the meeting at which it was claimed. Where a race meeting is authorized and conducted as a split-meeting, a horse claimed in such a race meeting must remain at the track where it was claimed for a period of 60 calendar days or until after the close of entries of that segment of the split meeting at which it was claimed. The following calendar day shall be the first day and the horse shall be entitled to enter at another track in the state whenever necessary so the horse may start on the sixty-first day following the claim. No trainer may claim more than two (2) horses in a race.

When a trainer is training for more than one owner, only two (2) claims from that stable will be allowed for any one race. Only one claim from owners having the same trainer for any one horse.

## **Voided and Voidable Claims**

**A.** A claim shall be voided if a horse is a starter as determined by the regulatory authority, and the horse:

1. dies on the racetrack; or
2. suffers an injury which requires the euthanasia of the horse as determined by the official veterinarian while the horse is on the racetrack.

**B.** A claim is voidable at the discretion of the new owner for a period of one hour after the race is made official, for any horse:

1. that is vanned off the track at the direction of the official veterinarian; or
2. that is observed by the official veterinarian to be lame or unsound while on the racetrack for that race; or
3. that is observed by the official veterinarian to have bled through its nostrils while on the track.

**C.** The successful claimant may request on the claim blank at the time he makes his claim that the horse be tested for the presence of equine infectious anemia via a Coggins test and/or erythropoietin and/or darbepoietin.

1. Should the test for equine infectious anemia prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the state of Louisiana.

2. Should the test for recombinant erythropoietin and/or darbepoietin prove positive, it shall be cause for a horse to be returned to his previous owner and barred from racing in the state of Louisiana until such time as the horse tests negative.

3. Additionally, if such erythropoietin and/or darbepoietin positive result is found, the claimant, claimant's trainer or claimant's authorized agent shall have 48 hours in which to request the claim be declared invalid, such request to be made in writing to the stewards.

4. The expense of the tests and the maintenance of the horse during the period requested for the tests shall be absorbed by the successful claimant.

5. If such tests are requested the claimed horse will be sent to the retention barn of the Louisiana State Racing Commission where the state veterinarian will draw blood samples.

a. Blood samples drawn to test for equine infectious anemia shall be sent to a laboratory approved by the Louisiana Livestock Sanitary Board for the conduct of such test.

b. Blood samples drawn to detect by immunoassay recombinant erythropoietin and/or darbepoietin shall be sent to the Louisiana State Racing Commission's state chemist.

6. Notwithstanding any inconsistent provision of the Part, a horse shall not be subject to disqualification from the race and from any share of the purse in the race, and the trainer of the horse shall not be subject to application of trainer's responsibility based upon the finding by the laboratory that erythropoietin and/or darbepoietin was present in the sample taken from that horse.

## **Procedure to Void a Claim**

1. If the State Vet observes the horse to be unsound, after the race & before the claimed horse, leaves the racetrack (inside the rails), the State Vet will contact the Stewards, and alert them to the issue.

2. At that point the Stewards will speak to the successful claimant, to gather whether that person wants to have the claim voided immediately or will they need to invoke the "up to 1 hour" time limit.

3. Once the above is determined, if the successful claimant needs time to decide, the horse will be sent to the Test Barn. If the decision is made to immediately Void the Claim, the previous connections will retain possession of the claimed horse, before the horse leaves the paddock.

4. If the successful claimant needs time to make the decision, once the decision is made, if that decision is to Void the Claim, the horse will be returned to the previous connections, and picked up at the Test Barn.

## **Waiver Claim Rule**

At time of entry an Owner, Trainer, or Authorized Agent may declare a horse ineligible to be claimed provided the horse has been laid off and has not started in a race for a minimum of one hundred and twenty days (120) and is entered for a claiming price equal or greater than the price at which the horse last started. The day following the horse's last race will count as day one (1).

Failure to declare the horse ineligible to be claimed at time of entry may not be remedied. A horse declared ineligible to be claimed cannot consider that race for eligibility in any starter type race or optional claiming.

## **Preference Dating System**

***Horses which do not have a current Coggins on file will not receive a Preference Date.***

1. Preference dates will not supersede conditions of a race.
2. All horses registered prior to 1:00 p.m. Wednesday, November 12, 2025 will receive a 'O', which is the lowest possible date. A horse keeps his 'O' until he runs or scratches.
3. All horses registering after 1:00 p.m. Wednesday, November 12, 2025 will receive an E date corresponding to the race day that the papers are submitted to the Racing Office. Foal papers which arrive on a dark day will be assigned the next racing calendar date.
4. Preference dates are good for any type race or distance with the exception of stakes or stakes trials. Stakes or stakes trials are not considered in the preference date system.
5. A zero has first preference and an entry date takes preference over a running date of the same day. A running date takes preference over an S date of the same day.
6. Horses that run will receive a running date corresponding to the date they race and lose all dates previously held. This excludes stakes and stakes trials.
7. Horses which are scheduled to run in a turf race that is transferred to the Main Track after program publication will retain their date. When a races is taken off the turf, all MTO horses that have an opportunity to draw into the race will receive an "R" date if they run or scratch. If the race remains on the turf, the (MTO) horses will retain their previous date.
8. Any stewards, trainers or off the turf scratch will receive an S date for the day they scratch.
9. All horses placed on the Stewards, Veterinarian or Starter list will be posted on a bulletin board. They will not be permitted to enter until they have been approved to start. A horse which ran before going on a list will retain its R date. Horses which are Vet scratched will be given an R date the day the horse comes off the list.
10. Horses which have established a date at the current meeting will lose that preference date should their papers be withdrawn from the Racing Office to run elsewhere. Horses must re-enter to establish a preference date at the meeting. Should a horse's papers be withdrawn from the Racing Office for just cause (i.e. tattoo, corrections, change of ownership, clarification, etc.), the Racing Secretary may determine the status of the preference date established.
11. Horses excluded from a race being carded which had no preference date shall receive an 'E' date for the corresponding race day. Horses that establish an 'E' date shall retain such date until drawing into the body of a race in which therefore establishes an 'R' date. Horses which make the body of a race at another racetrack after establishing such 'E' date will forfeit any date they may have at Fair Grounds.
12. Maidens entering in winners races shall not receive a preference date. All races are winners preferred.
13. All owners, trainers and agents making entries are required to sign entry blanks and check the preference date shown on them for accuracy. The Stewards will not acknowledge any claims not complying with this regulation.
14. In rules 3 and 10, if a horse is registered or comes off a list on a non-racing day, the next racing day will be used.
15. In all matters of discretion, the Stewards' ruling is final.

### **2025-2026 Fair Grounds House Rules**

1. For the 2025-2026 season at Fair Grounds we will require a veterinary examination by the attending veterinarian and submitted to the racing office at [scott.jones@fgno.com](mailto:scott.jones@fgno.com) PRIOR to entry for the following circumstances:
  - a. First time starters five (5) years old and older.
  - b. Any previously raced horse that has not raced in previous 365 days
  - c. Any horse eight (8) years or older that has not started at Fair Grounds in the past 60 days.
2. Any horse coming off a layoff of more than thirty (30) months is ineligible to train or race at FG unless approved prior to arrival at FG.
3. Any horse that has been beaten by twelve (12) or more lengths in the horse's previous five (5) starts shall be ineligible to start at FG until such time that the horse competes elsewhere and is beaten by less than twelve (12) lengths.
4. Any horse that has more than four (4) starts in a 56-day period (8 weeks) shall be ineligible to race until the 56th day from the fourth previous start.

### **Eligibility Rule**

Horses which have started for \$3,500 or less in 2025 (or last year started) must have finished 4th or better in one of their last five starts. Horses over the age of eleven which did not win a race the previous year will not be allowed to race at the Fair Grounds. Horses which are eligible at the start of the meet cannot be made ineligible by this rule during the meet.

Maidens which have started for less than \$7,500 must have finished 4th or better in one of their last five starts since starting for less than \$7,500.

### **Entry Rules**

- Racing Office will open for entries at 8:00 a.m.
- Owners and trainers, when entering horses are cautioned to check carefully as to the eligibility of horses in their care and allowances claimed in races. Under the universal rules of racing an owner or trainer is responsible. All agents entering horses must have written authorization from the trainer to do so. The Racing Secretary will be glad to give horsemen any information in respect to their horses that is desired, but the final responsibilities rest with the owners and trainers.
- No entries will be accepted for Turf Only.
- Fair Grounds reserves the right to divide any carded race from its condition book over any sub race on the same day. Sub races are merely listed for clarification purposes and not necessarily in order or preference to be used by the Racing Secretary.
- In all races, winners are preferred except where the conditions of the race state otherwise. Maidens entering in a winners race must declare at time of entry that the horse is a maiden.
- Horses not entitled to the first allowance in a race are not entitled to the second, and, if not to the second, then to any subsequent allowances.
- In all overnight handicaps and selected stakes, highest weighted horses shall have preferences, unless otherwise specified in the conditions of the race.
- Winner or non-winner of a stated sum means winner or non-winners of a single race of that value to first horse.
- About distances will be considered Actual for eligibility and weight allowances.
- In over-filled turf races, the also eligible list will be divided equally between MTO's and turf entries. In the situation in which there is a shake for also eligible positions, post positions will be drawn according to preference dates.
- Different owner entries will have equal draw in Overfilled Overnight races. Same owner entries will be uncoupled for betting purposes. Same owner entries cannot exclude a single interest in an overfilled race.

## Entry Rules (cont'd)

- A winner of an Optional Claiming race entered to be claimed shall be considered a winner of a Claiming Race; if not to be claimed, an Allowance Race.
- At the discretion of the Racing Secretary, races may be canceled between 9:00 a.m. and 10:00 a.m.
- Entries once submitted, may be withdrawn only with the permission of the Racing Secretary.
- A horse must be tattooed and the registration papers and current coggins on file.
- Owners will be held responsible for failure to carry colors as registered with the Racing Secretary's Office.
- A blinker change must be approved by the Starter and reported at time of entry.
- Jockey fees in all cases where owners have no funds to their credit must be paid to the bookkeeper.
